

Qi Kingston

Qi Kingston - A Feng Shui is someone who has studied in the subject of Feng Shui and could assist people with the decoration, orientation and layout of both residential and commercial spaces. Feng Shui consultants could be utilized for both exterior and interior or structural applications that depends on the project they were hired for. For example, he or she may be responsible for just the cosmetic dressing and design of an interior space. Alternatively, if a Feng Shui consultant is brought in to offer advice in an early planning phase of a particular project, she or he can offer input about the structural elements of the building or space.

Feng Shui is most usually performed in home and office places. In the past, this art was most frequently practiced buildings of significance like palaces and places of worship. During the 1960s Feng Shui became common in the West. A lot of books have been written ever since then and published in English and various languages. Numerous Westerners who have studied Feng Shui have gone on to become consultants.

There are various schools which particularly offer courses in Feng Shui. To become an expert Feng Shui consultant, it is important to dedicate time to become fully conversant with the practice. Feng Shui is based on knowledge of qi, that is likewise known as "chi." Qi is usually defined as the flow of energy which is linked to all the living things. The practice likewise relies on polarity, the theory of magnetic pulls as well as yin and yang. A Feng Shui consultant must even know the different symbols connected to practice as well as understanding a lot about qi.

Feng Shui is normally performed inside private homes throughout Western countries. It is far more uncommon for professional spaces which are built or fashioned according to Feng Shui principles. Even if the area as a whole has not been organized to the principles of Feng Shui, it is possible to include elements into individual work spaces. When incorporating Feng Shui into designing and dressing a bigger area, it may be wise to check with a Feng Shui consultant, while it is possible to do smaller projects on one's own.

Different sites on the Net are dedicated to providing information about Feng Shui, its history and its principles. The information on the web sites often consists of general knowledge of Feng Shui and information regarding schools which offer courses. Some of these web sites even offer contact information for those in search of a Feng Shui consultant.
